The author(s) hereby declare and warrant that the submitted manuscript is their original work, has not been published previously, and has not been submitted to or is currently under consideration by any other journal. All authors assume full responsibility for the content of the manuscript and warrant that all data, figures, tables, citations, and other materials comply with applicable copyright, intellectual property, and research ethics requirements and do not infringe the rights of any third party.

The author(s) agree to indemnify and hold harmless the **Journal of Information Analytics (JOIA)** and its editorial board against any claims arising from a breach of these warranties or third-party intellectual property claims related to the manuscript. The author(s) further agree to retain the underlying research data and relevant materials and, where ethically and legally permissible, make them available upon reasonable request in accordance with the Journal's policies. If any significant error or ethical concern affecting the published work is identified, the author(s) agree to promptly notify JOIA and cooperate with any necessary correction, expression of concern, or retraction in accordance with the Journal's policies. By signing this agreement, the author(s), with the consent of all co-authors, hereby assign to the **Journal of Information Analytics (JOIA)** the exclusive copyright in the manuscript, to the fullest extent permitted by law, including the right to reproduce, publish, distribute, translate, adapt, and disseminate the work in any current or future format or medium.
